

MILL OUTLET SALE

Trade Merchandise at Wonderful Price Reductions

Mill Ends mean goods that fall short of forty or fifty yards lengths, requisite for export purchase because they are wanting in lengths—a thread missing in napkins—a slight discoloration in some fabric—crooked or careless slight flaws matter to the customer, but they prevent the mill or factory from selling goods at a profitable price. You will pay for our entire stock at reduced prices. Especially, we ask a visit to our **WOMEN'S WEAR SECTION**. Our showing is superb and **MILL OUTLET SALE**.
